Re: Murray v. UBS Securities LLC and UBS AG, Case No. 14-CV-0927 (KPF)

Dear Judge Failla:

We represent Plaintiff Trevor Murray. Pursuant to the Court's February 9, 2018 Order (ECF No. 279), the parties' post-trial opposition briefs are due today, March 13, 2018, and reply briefs are due on March 27, 2018. We write to respectfully request a two business-day extension of those deadlines, due to a combination of a serious medical emergency and extended weather-related power outages affecting two members of plaintiff's trial team. Defendants' counsel have advised us that defendants consent to the instant request.

One member of plaintiff's trial team suffered a broken thumb over the weekend and is undergoing four hours of surgery today. He also was without power for approximately two days last week after the Nor'easter deposited two feet of snow. Another member of the trial team lost power for three days last week as a result of the same snowstorm, and lost considerable work time while trying to reconnect to the grid.

If the instant request is granted, the above-referenced schedule would be modified as follows: post-trial opposition briefs would be due on March 15, 2018, and replies would be due on March 29, 2018.

The Court's considerations are appreciated.

Respectfully submitted
